AMENDMENT UNDER 37 C.F.R. §1.111

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to a Communication from the Examiner mailed 28 July 1998, which set a one-month response date to expire 28 August 1998. A Petition for an Extension of Time of two months until 28 October 1998 is attached hereto along with the required fee.

The Communication indicates that the sequence listing filed 22 June 1998 is not fully responsive because SEQ ID NO:65 recited in claim 12 is not present in the sequence listing or diskette. It is believed that the following amendment to claim 12 disposes of this deficiency.
